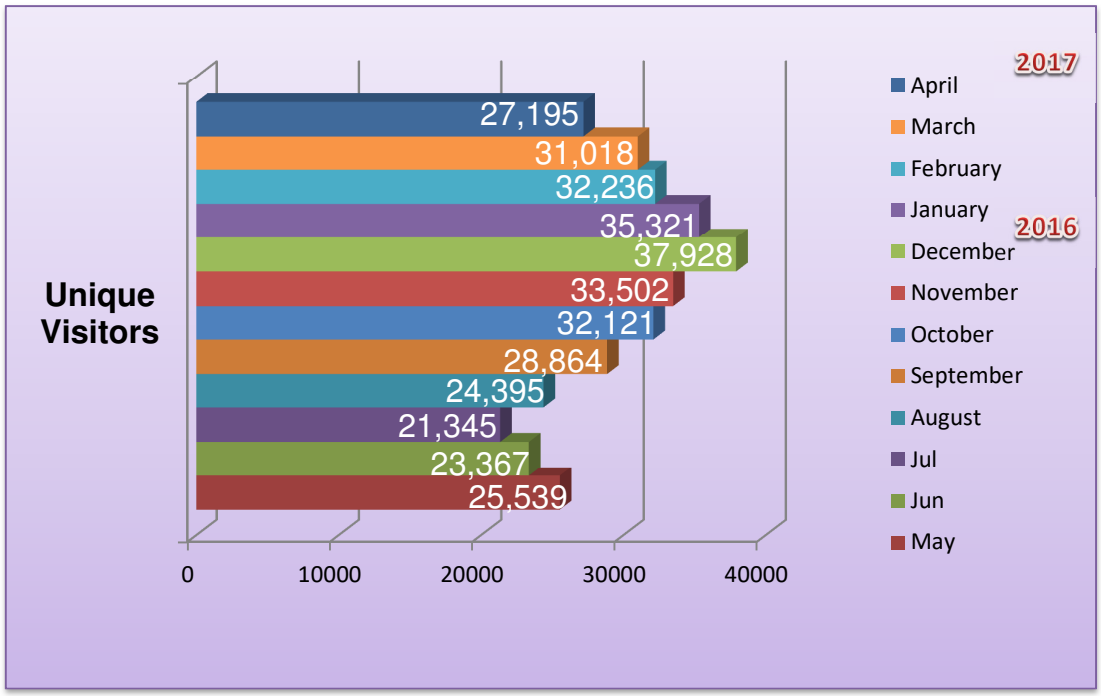
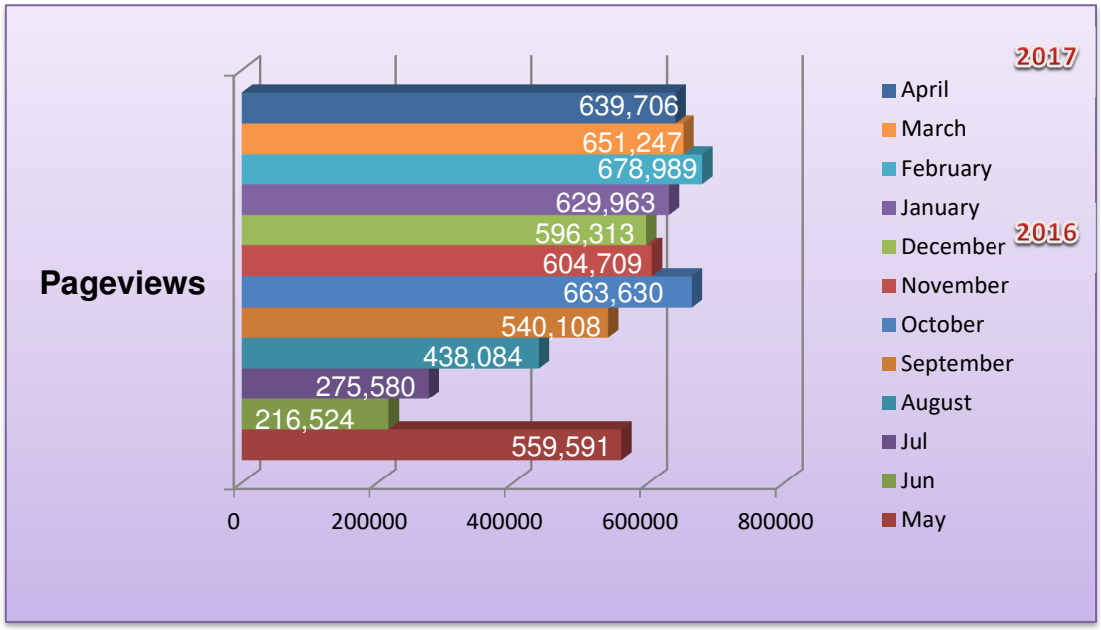
Dear,
If you have a service/product that target young population, football and betting lovers, we have just this kind of visitors.

Here's why we think we are the right place for you.
We won't bother you with unnecessary things, we go straight to the facts. Just look at this chart for a second:





Based on Google Analytics

You should know that the frame of each page is the same. So, if you want header, left or right position for your ad, it will be seen about 600,000 times per month! Based on communication with our visitors we conclude that they are mainly young population with a great desire for betting. Last month we had **102,041** visits to our site, look at the countries from which they come:
